— PRELUDE —

This programme completes 10 years of successful operation of the Schoolboys' Band. Now that the war is over and our band is more stabilized, we hope to provide you with finer band music than ever before.

We tender our thanks to our advertisers for providing this lovely programme. In it is published the complete Honor Roll of the band. This is your band. You can cooperate in making this show a success by refraining from talking during the playing of the selections.

Our Compliments to the Schoolboys' Band
